## **BOTSWANA GAME TRACKERS SAFARI** **1 – 13 March 2009**

We begin our safari with three glorious days in Cape Town. We then fly to Botswana where we explore three different habitats in northern Botswana. Our adventure begins in the heart of the Delta, which offers one of the finest nature and game photo opportunities in Africa. We also visit Moremi Game Reserve, and the Linyanti Reserve and Savuti. Besides your normal plains game, these areas have good concentrations of roan, sable, lion, leopard, cheetah and wild dog. Large herds of elephant also move through the area. Our safari will include day and night game viewing in open 4x4 vehicles, nature walks, and excursions on the scenic waterways of the Okavango Delta. Our stay ends with an overnight at the famous Victoria Falls, "the smoke that thunders."

Accommodation in Botswana will be in lodges and camps featured in the [On Safari](#) book.

**Carbon Offsets:**

[Focus on Planet Earth](#) understands that air travel contributes to increased green house gases and global

warming. Therefore, we encourage our expedition participants to assist us in making each Focus on Planet Earth expedition carbon neutral. You can offset your air transportation carbon impact by purchasing carbon off-sets. As an incentive for you to do this, we will deduct 50% of the amount of your purchase from your final invoice. To offset the emissions from your flights go to [Carbon Off-Set Calculator](#). Use CPT (Cape Town) as your destination.

**International Air Transportation:**

You are responsible for booking your own international air transportation. To assist you, we have provided you with the airport codes and the dates you need to arrive or depart.

Arrival Airport Code: CPT arriving on 1 March 2009

Departure Airport Code: JNB departing on 13 March 2009
